MGM UNIVERSITY

Mahatma Gandhi Mission Trust, a pioneer in healthcare and education in the Marathwada region of Maharashtra with over four decades of rich legacy, established MGM University in 2019 as a self-financed State University. Approved by the Government of Maharashtra under Maharashtra Act No. XXVI of 2019, Maharashtra Private Universities (Establishment & Regulation) Act, 2023 and accorded the 2(f) status by the University Grants Commission (UGC) of India, MGM University is the first University in Marathwada to fully implement the NEP-2020. It offers 340+ UG, PG, Diploma and Ph.D. programs in a range of streams such as Engineering and Technology, Management and Commerce, Basic and Applied Sciences, Social Sciences and Humanities, Performing Arts, Design and Interdisciplinary Studies.

Institute of Hotel Management

The Institute of Hotel Management, nestled within the expansive MGM Campus, is a paragon of excellence in the hospitality education. Providing a distinctive learning environment, the institutional hotel is dedicated to equipping students with practical skills for the dynamic hospitality industry. The institute, guided by the philosophy that the first impression is enduring, places a strong emphasis on a warm and welcoming atmosphere. Students are meticulously trained to handle diverse guest services with care and respect, instilling in them the values of hospitality. Practical classes at the institute encompass a wide array of crucial areas, including front office management, housekeeping, food production and bakery. Utilizing state-of-the-art facilities and incorporating the latest tools and techniques, the institute ensures that students are well prepared to meet the challenges of the industry. The commitment to excellence at the Institute of Hotel Management is evident in its holistic approach to hospitality education. By focusing on making students industry-ready through practical experiences and a comprehensive curriculum, the institute prepares them to thrive in the dynamic and demanding field of hospitality.

Objective of the Faculty Development Program (FDP):

- To enhance the research capabilities of faculty members and equip them with the latest knowledge, skills, and tools essential for conducting impactful research in the hospitality industry.
- To explore emerging trends, cutting-edge technologies, and innovative research methodologies that can address the evolving challenges and opportunities within the hospitality sector
- To guide participants through the process of designing and conducting research that contributes to academic and industry advancements.

Outcomes of the FDP

- Participants will Gain an in-depth understanding of current trends and challenges in hospitality research, including technological advancements, sustainability, and post-pandemic recovery.
- Participants will learn about various research methodologies, from traditional methods to modern approaches like mixed-methods, and how to apply them effectively in hospitality settings.
Participants will acquire the knowledge to write and publish high-quality research papers in leading academic journals, as well as identify funding opportunities for collaborative research.
- Participants will build practical skills in using software tools like SPSS, R, for statistical analysis, as well as virtual and augmented reality applications for research.
